### ▢ How to verify your product

- ▢ You can read a detailed step-by-step guide on how to check if your product is authentic here: <https://driadashop.to/verify-product-2>.
- ▢ To verify your product by its unique code, please visit the official verification page: <https://driadamedical.com/verify>.

### ▢ Where to find lab test results

- ▢ You can view the laboratory test reports directly on the product page — in the image gallery.
- ▢ All test results are also available in the **LAB TESTS** section in the main menu of our website.
